THIRD OPERATION PREVENTED

By Lydia E. Pinkham's Vegetable Compound

Chicago, Ill.—"I want to tell you what Lydia E. Pinkham's Vegetable Compound did for me. I was so sick that two of the best doctors in Chicago said I would die if I did not have an operation. I had already had two operations, and they wanted me to go through a third one. I suffered a day and night from inflammation and a small tumor, and never thought of seeing a well day again. A friend told me how Lydia E. Pinkham's Vegetable Compound had helped her, and I tried it, and after the third bottle was cured."—Mrs. ALYXIA SPERLING, 11 Langdon Street, Chicago, Ill.

If you are ill do not drag along at home or in your place of employment until an operation is necessary, but build up the feminine system, and remove the cause of those distressing aches and pains by taking Lydia E. Pinkham's Vegetable Compound, made from roots and herbs.

For thirty years it has been the standard remedy for female ills, and has positively restored the health of thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration. Why don't you try it?

CONNECTICUT LEGISLATURE.

Equal Amount for State Police Association—The Superior Court Bench Increased from Fourteen to Sixteen—Resolution Incorporating the Baltic Water Company Passed.

Hartford, Feb. 18.—The senate was called to order at 11.15 by Lieut.-Governor Weeks. Prayer by Chaplain Sexton.

Two More Judges.

The bill increasing the number of superior court judges from fourteen to sixteen was on the calendar started for action.

The bill was explained by Senator Searls, the chairman of the committee on the judiciary, which reported the bill. Senator Searls said the bill was in interest of litigants, particularly those of small means, more than it was in the interest of lawyers. The report of the committee was, finally, unanimous. At first it was thought that an addition of one judge would be sufficient, and he confessed that that was his (the senator's) opinion. But after considering the arguments made before the committee he came to the conclusion that an increase of two judges is necessary. It was stated to the committee that it is difficult for persons to have their cases tried, some being on the docket for two and three years. This was particularly true in New Haven and Fairfield counties. The report of the committee was accepted and the bill passed unanimously.

Committee of Conference.

On the motion of Senator Fenn the senate acceded to the request of the house for the appointment of a committee of conference on disagreeing action on several bills, and appointed Senator Searls on the committee on the part of the house. The bills are as follows: Bill No. 493, concerning the close season for deer.

Senator Fenn was appointed on the committee of conference on the part of the senate on bill No. 493, concerning the close season for deer.

Reports of Committees.

Contingent Expenses—Favorable on bill to appropriate \$4,000 for Taylor's Souvenir of Connecticut. Calendar.

Appropriations—Favorable on bill making an appropriation of \$4,000 for the State Police association of Connecticut; the same as the previous bill, for per diem clerks and office expenses in the office of the secretary, \$5,920; for purchase of books in the state library, \$3,000; and for assistants \$450; and for incidentals, \$500; for Connecticut School for Boys, \$3,750. Calendar. Unfavorable on bill to make an appropriation for the purchase of the Eldridge collection of war relics and curios of the war of the rebellion. Report accepted and bill rejected.

Calendar.

Referred to Judiciary Committee—Resolutions appointing Herbert W. Rathbun judge of the town court of Stonington and appointing William J. Ferris judge and Jeremiah Tierney deputy judge of the borough court of Greenwich.

The senate adjourned to Tuesday next at 12 o'clock.

THE HOUSE.

The house was called to order by Speaker Banks at 11.15. Prayer was offered by the Rev. Franklin Countryman, the house chaplain.

Concurrent action was taken on matters received from the senate.

Reports.

Incorporations—Favorable on substitution report concerning increasing the capital stock of the Grosvenor Water company. Calendar.

Finance—Favorable on acts empowering Hartford to issue notes and bonds. Calendar.

Incorporations—Substitute on amending the charter of the General Hospital society of Connecticut. Calendar.

Incorporations—Substitute report on incorporating the St. John's Industrial school at Deep River, cutting out the

clause which would exempt the property from taxation. Calendar.

Passed.

House joint resolution No. 222, incorporating the Baltic Water company, was passed on favorable report of the committee on incorporations.

Tabled.

On motion of Mr. Parker, house chairman of the committee on incorporation, the favorable report on the resolution authorizing the Danielsonville Cotton company to erect a pole line, was tabled until Tuesday next.

The house was in session fifteen minutes. Adjournment was taken to Tuesday at 12.30.

HAD SERVED NINE YEARS.

Joseph Curran Pardon from Rhode Island State Prison.

Providence, Feb. 18.—Having served nine years of a fifteen years term in state prison, Joseph Curran of Troy, N. Y., was pardoned today by the state senate, and a little later he left the prison at Cranston. Curran, who was known to the police as "Troy Joe," was committed to prison November 15, 1899, having been convicted of complicity in the famous Portsmouth car barn robbery. Governor Pothier last week sent to the senate a recommendation for Curran's pardon, on the ground that Curran had not been definitely connected with the robbery. It was claimed in Curran's behalf that he joined the robbers during the week that intervened between the robbery and their capture at Hartford.

HAT FACTORY UNIONIZED.

New Lamsen & Hubbard Co. Accepts Union Terms.

Boston, Feb. 18.—The striking hat makers returned to a unionized factory in this city today when the Lamsen & Hubbard Co., incorporated, withdrew from the National Hat Makers' association by going out of existence and

transferring all its property to the Lamsen & Hubbard Co., which was organized a few days ago under the laws of Maine. The new Lamsen &

Hubbard Co. at once established a union shop and accepted the terms of the union officials. About 300 men are affected.
